How the Trails Challenge Works

Up to 50 listed trails! Visit as many Greenbelt properties as possible within the challenge window, and be recognized as a “Go-Getter” at our 2024 Annual Meeting.

The challenge runs from June 3, 2023 (National Trails Day) to May 1, 2024.

Special honors will be given to GreenbeltGo-Getters who visit all 50 listed locations!

Friendly Guidelines

Our trails are for everyone to enjoy, and the GreenbeltGo-Getter Challenge is **FREE** and open to all ages and abilities.

Whether you choose to explore a property’s entire trail system, or simply take a short walk to enjoy the view, we encourage you to visit as many Greenbelt properties on the list as you can! Find what best fits your interests and ability. ecga.org/trails

You’re a GreenbeltGo-Getter whether you visit 10, 25 or all 50 listed properties. The goal of the challenge is to get outside and explore.

Only properties explored during this challenge window count! Fill out the property tracker form with the dates of your visits between June 3, 2023 and May 1, 2024.

Greenbelt properties are open from dawn until dusk and we do not charge admission.

Be a Go-Getter

Register for the 2023-2024 GreenbeltGo-Getter Challenge and download the official property tracker form to fill out as you complete your exploration.

When you register, we will mail you a copy of the tracker form, along with your very own GreenbeltGo-Getter Challenge sticker (great for your water bottle!).
